

# Quickstart LIVE!!!

Quickstart LIVE is a FREE 2 hour clinic/workshop which emphasizes the topics covered in the 8 week class QUICKSTART GUITAR, offered at Badog Music. This clinic will feature the band HIP SHAKE ([www.hipshakerocks.com](http://www.hipshakerocks.com)), who'll demonstrate how Quickstart topics can be applied in a REAL LIVE band situation. The band will then host a beginner songwriting workshop, whereby students will write songs of their own. **EVERYONE IS WELCOME TO ATTEND (OPEN TO THE PUBLIC).**
